EFA UPDATE:

Win a concert at your college and encourage students to VOTE!

EFA Update #3 August 6th, 2024

Did you know that voting rates among students are about 10 percentage points lower at community colleges than at four-year universities?

It's time to get out the vote and advocate for better support for our students and institutions.

Check out some easy-to-implement resources at the link below to get students voting on your campus. <https://efastudentvote.com>

**Voting resources are
available for your college.**

EFA Update #4 August 30th, 2024

Are you a community college administrator? Postsecondary institutions like yours can play a critical role in supporting our democratic process. Did you know that promoting access to voter registration is a federal requirement associated with participation in the federal student aid

programs? Your college can even use Federal Work-Study positions at your institution or work with federal, state, local, and tribal government agencies to provide voter registration and other nonpartisan get-out-the-vote activities. Learn more here. <https://efastudentvote.com>
